Last 10 Transactions Posted

| Posting Date | Merchant | Amount |
|--------------|------------|----------|
| 05/28 | AMAZON.COM | \$905.08 |

3. Select ACCOUNT ALERTS from either the left-hand menu or main screen.

The screenshot shows the US Bank Access Online interface. At the top left is the US Bank logo and 'Access Online'. At the top right is a 'Log Out' button with an external link icon. The left-hand navigation menu includes 'Transaction Management', 'Account Information', 'Reporting', 'My Personal Information', 'Home', 'Contact Us', and 'Training'. Under 'My Personal Information', there are links for 'Password', 'Contact Information', 'Manage Account Access', 'Manage Accounting Code Favorites', and 'Account Alerts'. The 'Account Alerts' link in the menu is circled in red. The main content area is titled 'My Personal Information' and contains a 'User ID' field with a blacked-out value. Below this are sections for 'Password', 'Contact Information', 'Manage Account Access', and 'Manage Accounting Code Favorites'. The 'Account Alerts' section at the bottom is circled in red and contains the text 'Enroll, view, or update your Alert preferences.'

4. Complete the rest of the form:
- Enter or update your cell phone number (your personal number is probably the best one; if you do not have a cell phone, or prefer not to receive text alerts, you can leave blank) and email address (work email recommended).
 - If you have multiple accounts (cards) you may choose different fraud alert options for each of them.
 - For each of your cards, check the Text and/or Email boxes as the method(s) by which you wish to receive the alerts.
 - Read the Terms and Conditions, then click "I Accept."
 - Click SUBMIT.
